

# THE STORY OF GANBEI

**Ganbei** (gān-bēi): *noun* - to drink a toast; cheers; bottoms up

Ganbei is a term used in Chinese culture when toasting drinks during social gatherings, dinners, and special occasions. What makes Ganbei unique - is that this "cheers" involves all present to empty their glass (in one sip!) The direct translation of Ganbei is "dry cup" and means, "to drain until empty".

Ganbei is a fitting name for this Chinese Restaurant and Bar as our goal is to provide a fun and unique atmosphere where you can enjoy a meal and drinks.

At Ganbei each dish is prepared using only the freshest, highest quality ingredients - no MSG or Trans Fat - just good simple Chinese food. We can satisfy nearly all requests made of the kitchen as we make everything to order. If you have any questions or concerns, please do not hesitate to ask your server or any of our staff.

In addition to our dining offerings, we offer a fully stocked bar with premium beer, wine and liquor, as well as an extensive martini & cocktail list.

Thank you for coming to Ganbei and we hope you enjoy your experience.

Cheers!
